DETAILED ACTION

Allowable Subject Matter

1. Claims 26-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: for claims 26-28, upon further consideration and in light of applicant's arguments filed August 9, 2004 the Examiner has withdrawn to obviousness rejections of record. Due to the in-depth reasoning and evidence submitted in Applicant's arguments the examiner concedes that there is insufficient motivation to combine the prior art of record as presented in the previous office action. For claims 29-34 see item 8 of the previous office action, incorporated herein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
